

Paul Gössinger M.A.

Am Neuland 12 – 82347 Bernried – +49 175 722 35 06 – paul@goessinger.eu

Objective

I wish to re-enter the consulting business as a Senior Consultant. I want to use my experience from the business side and combine it with my academic knowledge to deliver first class solutions for our customers.

Professional Experience

10/2013 – date

BayWa AG / Compliance Manager

- Building up a compliance department and analyzing compliance risk in the company
- Creating a knowledge management strategy and (e-)learning solutions

09/2010 – 09/2013

DAB Bank / Manager Unix Systems

- Leading cross functional project teams, responsible for planning of software roll-outs
- Implemented a new core infrastructure that reduced startup time by 90%
- Created an installation and configuration environment that speed up provisioning from several hours to less than 5 minutes

03/2010 – 09/2010

Red Hat GmbH / IT Consultant

- Creating specialized solutions for customers including high-availability clusters, visualization and cloud computing
- Pitching consulting and software solutions to customers

Other Professional Positions:

- Red Hat GmbH / Team Lead & Help Desk Engineer 09/2007 – 03/2010
 - Red Hat GmbH / Marketing: 02/2007 – 09/2007
 - Self-employed IT consultant: 01/2006 – 09/2007
 - Ludwig-Maximilians-Universität / IT Administration: 07/2004 – 02/2007
-

Education

09/2011 – 08/2013

Executive MBA, extra occupational
Munich Business School (ongoing: 1.5)

10/2003 – 03/2011

M.A., Ludwig-Maximilians-Universität (grade: 2.1)
major: political science, minor: statistics, recent history

09/1993 – 06/2002

Gymnasium Tutzing: A-Level (grade: 2.5)

Awards, Languages & Interests

2012: MBS: Student Association Award

2009: Red Hat: Outstanding Performance Award

German (native speaker), English (business fluent, TOEFL score: 108), French (basic)

I am an independent local councilor in my home town Bernried who likes to travel in all around the world. I spent my free time hiking in the German Alps or looking for rare birds in Scandinavia, Austria or the North Sea.
